safety policy

at+m integrated marketing has a responsibility to
prevent accidents, manage hazards
and maintain a safe and healthy workplace.

at+m integrated marketing will provide a system to ensure safety
is given a program to operate under.

Employees must always carry out their work
in line with the safety system requirements
and report any problems they may have.

at+m integrated marketing will be successful with its
Safety Management System
with the support of all employees.

Signed:

David Peck
MANAGING DIRECTOR
